## Rental Terms

### Reservations

Advance reservations are recommended to ensure availability. We recommend placing your reservation at least two weeks prior to the date of your event.

### Rental Rates

Rental rates are for a 3-day rental period. Weekend rentals are generally Friday through Monday. We also have longer rental periods if needed. The rental charge applies whether equipment is used or not.

### Payment

Payment is due prior to delivery of rental equipment by check or credit card, and accounts are available upon credit approval. Orders over \$1000 require a 50% deposit and the balance is due 3 days prior to delivery of equipment. A security deposit is required on all rental orders.

### Delivery & Pick Up Service

There is no delivery fee on orders over \$250 within the San Jose Area during normal business hours of 9:00 am - 5:00 pm, Monday - Friday. The minimum order for delivery is \$100, and orders under \$250 within the San Jose Area can be delivered for a charge of \$50. There is currently a fuel surcharge on all orders of 15.00. We deliver throughout the Bay Area (San Francisco to Monterey). Orders delivered outside the San Jose area incur additional delivery fees. Please contact us for a delivery quote. After business hours, weekends, and specific-time deliveries are available at an additional charge. Items are delivered a reasonable distance from the delivery truck. Stairs and elevators are an additional charge. Items are left stacked and should be restacked

in the same location prior to pick up. If you would like the rental items to be set up and broken down, we will provide you with a quote for this service when you place your order. We cannot add this service to your contract at the time of delivery unless you contact our office and we prearrange it.

### Order Changes & Cancellations

Order changes require 3 days notice, and cancellations require 5 days notice prior to delivery of equipment to avoid a 25% restocking fee.

### Check Your Order

Please check your order upon receipt. Contact us immediately regarding any discrepancies.

### Cleaning Procedures

Equipment used with food should be scraped, rinsed, and stacked in the containers in which the items were received. Linens should be returned dry and free of food, candle wax, and debris. The customer will be charged a cleaning fee for items returned without having been rinsed.

### Lost or Damaged Items

Customers are responsible for equipment from the time of receipt until the time of return. It is the customer's responsibility to secure equipment when not in use and to protect equipment from the weather at all times. The customer will be charged the replacement cost for damaged or missing items, including boxes and crates.
